

JOHN VISHWAS NELSON

UX Designer & Developer

PERSONAL PROFILE

As a UX Designer, my philosophy for success lies in making a big impact through the small details. With the passion to go the extra mile and a strong believer in teamwork, I can execute tasks in crunch time with finesse. What makes me competent is that I keep upgrading my skillsets; and my wide range of hobbies from music to basketball serve as a testament to my ability to master new skills and tools with ease.
